Statement of confidentiality in bondura® design sheet

It is by using this form declared agreement between bondura® technology and customer/partner to manage all technical information that will appear in this occasion as confidential material. Drawings and other material should only be used for the purpose it is intended and shall not in any way be applied so that it can be commercially detrimental to either party.

Quality control of product selection

Information that is entered in "bondura® design sheet" is intended to be illustrative of the pin size and product solution. By an order will, if necessary bondura® technology ask for more detailed technical information about the use of pin including GA drawings/ images of the equipment. This is to ensure that the correct pin solution and materials are used in the current case.
